About me

Photographer and photo retoucher specializing in visual content for fashion, corporate, and social media. Experience on photo shoots and in producing images for campaigns and digital communications.

I work with an eye for detail, a strong aesthetic sense, and the ability to adapt to dynamic and creative environments.

Photoshop · Lightroom · Illustrator · InDesign · Capture One
DaVinci Resolve · Bridge · Canva · Pacchetto Office · Keynote

Soft skills

I am a methodical and naturally organized person: order helps me work calmly and effectively. I tackle tasks with a structured, results-oriented approach. When necessary, I am ready to take on a leadership role, but I strongly believe that mutual respect and a harmonious work environment are essential for building and maintaining a cohesive and collaborative team.
